EXT. PARKING LOT - DAY

A silver 2002 Honda Civic parks in an otherwise empty parking lot.

INT. CAR - CONTINUOUS

Four teenagers sit in silence and boredom. The two in the front, EJ and GARRETT, are typical pot heads. EJ sits in the driver's seat wearing a wrinkled flannel. Garrett sits in the passenger seat, wearing a faded Fairfield Tigers hoodie.

EJ

Alright are we blazing up or what?

GARRETT

We can't...

EJ

Why not?

GARRETT

Cause Korbin's got asthma.

In the back sits KORBIN, a scrawny teenage boy with glasses. Next to him is ABBY, painting her toenails with purple nail polish.

ABBY

Dammit Korbin.

KORBIN

Sorry.

EJ

Well what are we gonna do? The game's in an hour!

GARRETT

I got something.

Garrett reaches into his jacket pocket and pulls out a baggie with four iridescent purple pills.

EJ

What are those?

GARRETT

Purps, got em from the mayor's son.

ABBY

They're like acid right?

GARRETT
Something like that.

Garrett disperses the pills to each member.

KORBIN
I don't know man...

EJ
TAKE THE DAMN PILL KORBIN!

KORBIN
Ok, jeez.

All four swallow their corresponding pill.

INT. CAR - NOON (LATER)

The group drives down a long back road. Garrett stares out of his window in boredom. Korbin stares at Abby's feet which are propped out of her window, drying in the breeze.

ABBY
How long does it take for them to hit?

GARRETT
I don't know.

EJ
You got scammed man, he gave you sugar... pills...

EJ's speech slurs as his pupils dilate.

The car raises from the ground and begins flying through the air.

All of the characters look out of the windows in awe.

ABBY
Oh sheeeit.

Abby leans her head back and goes numb.

GARRETT
Yeah I'm trippin!

Garrett excitedly turns to face Korbin in the back.

GARRETT (CONT'D)
Korbin, you trippin?

Korbin raises his arm and sticks it through Garrett's face.

KORBIN
Oh, I'm trippin.

Garrett smiles and turns to Abby.

GARRETT
Abby, what abou- YO BRO! Abby is so out!

EJ
Uh, guys...

The three guys look forward out the windshield. The car is now falling straight down towards the road.

They scream.

CRASH.

TITLE CARD: WHO STOLE BABY JESUS?

INT. PREACHER'S OFFICE - DAY

A painting of the crucifixion hangs on the wall.

In the middle of a well decorated, but mostly empty office, sits a man in his late 20s. Handsome in form and appearance, PETER ALBRIGHT sits hunched over his desk playing with a toy basketball hoop.

He attempts to flick basketballs in the hoop but is unable to get one in.

The door swings open and a young adult woman, AMANDA, rushes into the room.

AMANDA
Peter, we've got a problem.

EXT. PLEASANT GROVE CHURCH - DAY

Peter and Amanda stand with their arms crossed in front of the church's blow mold nativity scene.

AMANDA
(choked up)
Its... its... despicable.

Peter puts a comforting arm around Amanda's shoulder.

PETER

I can't believe it either. And to
be replaced with a lobster?

Inside the nativity scene, a lobster lies in the manger where
a plastic Baby Jesus once belonged.

AMANDA

What are we gonna do?

PETER

We're gonna call the police, that's
what we're gonna do! So they can
find whatever MISCREANT DID THIS!

INT. POLICE CAR - DAY

A somber, 52 year-old police officer, TODD HARDY, parks his
car. He takes a small sip of his coffee, and gets out.

EXT. BACK ROAD - DAY

Todd walks up to the scene of a car crash. Surrounded by
yellow tape and curious police officers, is a 2002 silver
Honda Civic positioned vertically, crashed into the road.

TODD

Don't see that everyday...

Another officer, EMMETT, stands beside Todd. The two stare at
the wreck, Todd in horror, and Emmett nonchalantly sipping
his coffee.

EMMETT

I'll be damned. Looks as if it done
fell from heaven itself.

TODD

Probably a freak drag racing
accident. Who all was inside?

EMMETT

Four of em, teenagers, three boys
and a girl. All dead. Got dropped
off at the morgue this morning. One
of em wanted to give their body to
science so autopsy should be
happening this afternoon.

A 40 year old, WOMAN standing with her FAMILY falls on her
knees and begins wailing.

TODD
Good God, I take it the parents
have been alerted?

EMMETT
They have, now all that's left is
the paper work.

Emmett laughs to himself and walks away.

Todd's eyes drift down and notice a severed toe, with purple nail polish, lying on the ground next to a numbered cone.

INT. PRECINCT - DAY

Todd sits at his desk and looks up at the Captain's Office.

Inside the closed office, CAPTAIN PARSONS sits calmly at his desk nodding as a disgruntled DETECTIVE IVERSON shouts and motions his arms at the Captain.

Todd watches as Detective Iverson moves from the Captain's Office to the room next door. He kicks an evidence board off an easel, grabs his messenger bag, and storms out of the precinct.

DETECTIVE IVERSON
I'M DONE PARSONS! I CAN'T DO THIS
ANYMORE! I QUIT!

All the officers in the room go silent, then return to talking and working once Iverson leaves.

Todd gets up and goes into the Captain's Office.

INT. CAPTAIN OFFICE - DAY

Todd stands in the doorway, in front of the desk where Captain Parsons sits with his face in his hands.

Todd knocks on the open door.

TODD
How's it going captain?

Captain Parsons looks up with an exhausted look on his face as Todd enters the office.

CAPTAIN PARSONS
It goes.

TODD

I was just coming to see if you
needed any help with anything.

CAPTAIN PARSONS

I appreciate that Hardy.

Captain Parsons leans back in his seat.

CAPTAIN PARSONS (CONT'D)

Could I have you go up to Pleasant
Grove Church and respond to a theft
call. I'd ask Roberts but he's
still a little shaken up from this
morning.

The two look over at OFFICER ROBERTS who sits at his desk
gently dabbing his teary eyes with a tissue.

Todd turns back to Captain Parsons.

TODD

On it sir.

Todd turns to walk away then stops and turns around.

TODD (CONT'D)

And if you need any help, more
specifically on the purp case, I
would love to be of service.

Captain Parsons looks at Todd in disbelief.

CAPTAIN PARSONS

Yeah? Uh... yeah. If I could have
you go pick up the autopsy report
of the wreck this morning that
would be great.

TODD

Got it.

CAPTAIN PARSONS

Thank you.

Todd exits the office with his chest out and head held high.

EXT. PLEASANT GROVE CHURCH - DAY

Todd parks his car and walks up to the nativity scene where
Peter paces. Amanda notices the officer and grabs Peter,
directing his attention to Todd. Once Peter notices, he
quickly walks up to shake Todd's hand.

PETER

Hello officer! Don't think we've gotten to meet yet. I'm Peter Albright, preaching minister here at Pleasant Grove.

TODD

You're the new guy?

PETER

Yeah, well... yeah.

TODD

What got stolen?

AMANDA

Over here sir, it's Jesus. They stole Baby Jesus.

The three stand in front of the nativity in silence for a moment, staring at the lobster.

Beat.

TODD

Welp, as for Baby J, it happens every year. But as for the lobster, that one's new, very creative.

Todd turns and walks back to his car as Peter follows him.

PETER

Wait that's it?

TODD

Yep, not much we can do about it. Just kids being kids. But I'll go ahead and fill out a stolen items form at the precinct.

PETER

Well what about like DNA, fingerprints, stuff like that?

TODD

Nope, don't got time for all that.

PETER

What do you mean you don't got time? Isn't this your job?

Officer Todd Hardy stops and turns to Peter.

TODD

Look kid, you don't know the half of what's going on in this town. We don't have the time, nor the resources, to investigate who stole your Baby Jesus. You want to hear my advice?

PETER

Sure.

TODD

I suggest you find a new Baby Jesus, and this time you nail him to that manger.

Peter's face turns red with anger as Todd turns back to his car.

PETER

Well sir, I appreciate you coming down, and we'll be praying for your safety out there.

TODD

Much obliged pastor.

Without looking back, Todd gets in his car and drives off as Peter scowls before walking back to Amanda.

AMANDA

Well, is he going to help us out?

PETER

Not quite. Hey Amanda, would you do something for me?

AMANDA

I'd do anything for you.

Peter looks at Amanda confused.

PETER

What?

AMANDA

Yeah, sure, what is it?

PETER

We're gonna need some flyers.

BEGIN MONTAGE

INT. CHURCH OFFICE - DAY

From the church copier, a batch of 'Have you seen me?' Baby Jesus flyers print out.

EXT. MULTIPLE LOCATIONS - DAY

Amanda hangs the flyers on street signs, walls of businesses, and trees in the park.

She passes flyers to PEOPLE walking by downtown.

INT. HIGH SCHOOL HALL - DAY

Amanda puts a pushpin into one flier on the big bulletin board in the middle of the hall.

EXT. PARKING LOT - DAY

Amanda walks from car to car in a full parking lot, putting a flier under the wiper of each.

END MONTAGE

EXT. KROGER PARKING LOT - DAY

Peter Albright confidently walks towards the Kroger, holding a Tupperware full of water and a lobster inside. On the lid is a piece of tan masking tape with 'WILLIS' written in sharpie.

INT. SEAFOOD SECTION - DAY

Inside the lobster tank, lobsters swim and crawl all over one another, claws bound with rubber bands.

Peter looks inside with his face to the glass.

PETER

You'd all kill each other if it
weren't for those rubber bands.

A large worker behind the seafood counter with the name tag, DAN, awkwardly watches Peter.

DAN

Can I help you sir?

Peter straightens up and presents the Tupperware to Dan.

PETER

Yes you can, you remember who you
sold this guy to?

DAN

Uh, no. Was it you?

PETER

No it wasn't me.

DAN

Look we sell a lot of those
critters so I'm not sure...

Peter glares at Dan's name tag.

PETER

Dan look, you're not in trouble or
anything but I need to talk to your
manager.

DAN

Oh... ok. Yeah just go up to the
front and ask for Krista.

PETER

Great! Have a blessed day man.

Peter, with his lobster, walks to the front.

INT. HELP DESK - DAY

Peter walks up to the help desk and places his Tupperware on
the counter. Behind the desk is a teenage girl chewing gum,
ROSE.

PETER

Is there a Krista here?

ROSE

KRISTA!

KRISTA, a short stocky woman with purple hair, emerges from
the office door next to the counter.

KRISTA

Yep, what can I do for you hun?

PETER

Yeah, hi, I've got this lobster
here and I was wondering...

KRISTA

We don't do returns on em, if
that's what you want.

Krista and Rose laugh to one another as Peter gets irritated.

PETER

No I'm not making a return, see I'm
the preacher at Pleasant Grove,
you've probably heard of it, and we
had someone prank us with this
lobster. So I was wondering if I
could look at the security tapes of
when this was purchased.

KRISTA

Nuh-uh.

PETER

Excuse me?

KRISTA

Is you deaf? I said Nuh-uh. No one
gets to look at those tapes unless
they's police. Is you police?

PETER

No, but I...

KRISTA

Then sorry preacher boy, you're out
of luck. Now if you want some
seasoning for that fella, that'll
be over in Aisle 13.

Krista points to Aisle 13 as Peter walks away defeated.

INT. AISLE 13 - DAY

Peter paces in front of an aisle full of seafood seasoning,
not knowing what to do next.

All of a sudden a large older woman, SALLY, riding on a
motorized shopping cart, drives into the aisle and stops in
front of Peter.

SALLY

Hey, I know you.

Peter turns to her and puts on a smile as he goes to shake
her hand.

PETER
Well hello ma'am, is this... um...

SALLY
Sally...

PETER
Oh yes, Sally...

SALLY
Sally Car-

PETER
Sally Carter! Yes that's it! You're gonna need to forgive me, I'm still getting to know the congregation.

Sally laughs with excitement.

SALLY
Oh nonsense father, you're forgiven! I'm usually sitting in the back anyway.

PETER
No I gotcha now, you bring your son every Sunday right? Little guy with the blonde hair? He's a handsome kid.

Peter and Sally laugh.

SALLY
Oh you're so kind! But that's actually my nephew. His mom's in rehab right now so Hugh and I have been taking care of him.

Peter kneels down on the floor to be at eye level with Sally.

PETER
Now Sally, that is just so honorable of y'all. And I'm sorry to hear about your daughter. I'll be praying.

SALLY
Well I appreciate that, and I know she would too. I just love getting to hear your sermons on Sundays. Your last one on how God's love is like a flower really did strike a chord with me.

Peter stands back up and brushes off his shoulder proudly.

PETER

Well thank you, I'm glad to hear
it.

Peter looks over at Krista's office. The door is left ajar as
Krista and Rose laugh and talk at the front desk.

SALLY

What are you doin with that
lobster?

Peter darts his head to Sally.

PETER

Long story. Say, how would you like
to perform an act of servitude for
the Lord's kingdom?

Sally looks at him with eyes wide.

SALLY

I would love that.

INT. HELP DESK - DAY

Krista leans on the desk and talks to Rose who files her
nails.

KRISTA

So I think for my next piercing I'm
gonna go navel, but I'm kind of
scared because I knew a girl who
passed out in the parking lot after
getting hers and...

CRASH.

SALLY

SOMEONE HELP ME!

Krista and Rose rush over to Aisle 13. Sally lays on the
ground with her scooter flipped over. She yells out in pain.

KRISTA

Ma'am are you alright? What
happened?

SALLY

I think I ran over a can of Grand
Bay!

The whole store looks over at the commotion as Peter runs into Krista's office.

INT. KRISTA'S OFFICE - DAY

Peter enters the office which is cluttered with surveillance monitors and empty Big Gulp cups. He frantically starts unplugging wires.

INT. AISLE 13 - CONTINUOUS

Krista begins to try and hoist Sally off the ground.

KRISTA
ROSE, go get the first aid kit from
my office!

Rose begins to run to the office.

SALLY
No, NO STOP! I- um, I SEE THE
LIGHT!

Rose stops and turns back.

SALLY (CONT'D)
I SEE THE PEARLY GATES! I'M GOING
HOME!

INT. HELP DESK - CONTINUOUS

Nobody, except a baby, notices as Peter dashes out of the office with the surveillance computer.

As Peter runs away he winks at the baby.

EXT. KROGER PARKING LOT - EVENING

Peter runs to his car holding the computer and the lobster in the Tupperware.

INT. MORGUE - EVENING

Todd walks into a dimly lit morgue. At the desk, sits a coroner, EDGAR, eating a Slim Jim and reading through a manila folder.

TODD
Pleasant Grove PD, here to pick up
an autopsy report.

Edgar gets up from his desk and looks at Todd confused.

EDGAR
Where's Detective Iverson?

TODD
He was busy today so they sent me.

EDGAR
Well alright, my name's Edgar!

Edgar reaches his hand out and Todd hesitantly shakes it.

TODD
Todd Hardy.

EDGAR
Nice to meet you Todd! You want to
see him?

TODD
See him?

Edgar reaches over and pulls open a mortuary cabinet.

The pale, lifeless body of Korbin lays on the rolled out
table. His eyes are open, the whites glazed over with a tint
of lavender.

Todd stares at him with a pained expression on his face.

EDGAR
You won't believe what we found in
his system.

TODD
I might have an idea.

EDGAR
Fuckin purps man, they're
everywhere.

A fruit fly lands on Korbin's forehead. Edgar smacks the fly
then wipes his hand off on his pants.

TODD
So about that autopsy report.

EDGAR
Yes! Autopsy report!

Edgar swings Korbin's body back into the cabinet, shuts the door, and walks back to his desk.

He grabs a manila folder and holds it out to Todd.

TODD
Thanks man.

Edgar jerks the folder back to himself before Todd can grab it.

EDGAR
Not too fast, it's gonna cost you.

TODD
Cost me? Cost me what?

EDGAR
Two Ding Dongs and a Butterfinger,
Iverson knew the deal.

Annoyed, Todd walks to the door.

EDGAR (CONT'D)
Vending machine's down the hall and
to the right!

INT. HALL - EVENING

Todd walks up to a vending machine and opens his wallet. A small picture falls out.

He bends over and picks it up. On the picture, a little boy with freckles, and a brown bowl cut, smiles to show off his missing teeth.

Todd smiles and puts the picture back in his wallet and pulls out some cash.

INT. CAPTAIN'S OFFICE - EVENING (LATER)

Todd Hardy walks in and drops the autopsy report on Captain Parsons desk.

Parsons looks up from writing.

CAPTAIN PARSONS
Thank you again Hardy.

TODD
Iverson coming back?

Captain Parsons puts down his pen and faces Todd.

CAPTAIN PARSONS
I doubt it.

TODD
Sir, with all due respect,
Detective Iverson sucked ass, and
so did the detective before him.

Captain Parsons chuckles.

TODD (CONT'D)
I think what the purp case needs is
someone with initiative, someone
who cares.

Captain Parsons nods in agreement.

CAPTAIN PARSONS
Yes but wherever would we find such
a person?

TODD
Sir I believe that I would be
effective in the position.

Captain Parsons laughs, then gets serious.

CAPTAIN PARSONS
I believe so too Hardy, but it's
not easy. You'll be working long
hours, driving back and forth from
the Birmingham DEA, not to mention
what it does to your psyche. You'll
be thinking about this case every
single minute of every single day.
It's unforgiving Todd.

TODD
I'm perfectly fine with that sir.

CAPTAIN PARSONS
Well alright then, the cross is
yours to bear. I've just got one
question for you.

TODD
Go ahead.

CAPTAIN PARSONS
It's not too soon is it?

Beat.

TODD
No sir, I think I'm finally ready.

Captain Parsons stands up and holds his hand out to Todd.

CAPTAIN PARSONS
Well then, the case is yours,
Detective Hardy.

Todd grabs Parsons hand and the two nod and shake.

INT. PETER'S OFFICE - NIGHT

Peter sits at his desk and scrubs through security cam footage from the Kroger's seafood department.

Amanda walks in the door casually eating a cookie.

AMANDA
Hey, there's still some snicker-
doodles in there if you want any.
Probably should finish them off or
chuck em before Mrs. Willis comes
back to pick up her Tupperware.

Peter looks up from the computer at Amanda.

PETER
You really think she's coming back
for it?

Amanda looks over at the Tupperware on Peter's desk that now houses the lobster, and laughs.

PETER (CONT'D)
Before you go, could you come look
at this?

AMANDA
Sure.

Amanda walks over and sits next to Peter, making sure her shoulder touches his. He turns the monitor to her and presses play.

On the screen, three teenage boys go up to the seafood counter and buy a lobster from Dan. They turn their heads towards the camera when Peter hits pause.

PETER
You know the names of these boys?

AMANDA

Hmmm. As for those two, I couldn't tell you. But that kid in the middle, that's Kyle Daley, the mayor's son.

Peter puts his face up to the screen and focuses in on KYLE DALEY. He's a 17-year-old boy with tired eyes who wears a green sweatshirt with the hood up.

PETER

Hello Kyle.

As Peter looks at the screen, Amanda makes a basket with Peter's basketball desk toy and stands up from the desk.

AMANDA

Well alright, I'm heading out now.

Peter gets up from his desk as well.

PETER

Yep, me too, give me a sec and I'll walk with you out there.

Amanda nods with a smile.

PETER (CONT'D)

Oh and Amanda?

Amanda looks at Peter hopefully.

PETER (CONT'D)

Thanks for helping out with the flyers today.

Amanda's look shifts to disappointment.

AMANDA

Oh yeah, no problem.

INT. CAR - NIGHT

Peter drives home, quietly listening to worship music on the radio.

EXT. NEIGHBORHOOD - NIGHT

Peter's car drives by a mailbox with the name 'DALEY' on it.

INT. CAR - CONTINUOUS

Peter looks out the passenger window, then looks forward and yanks the steering wheel to the left.

EXT. DALEY HOUSE - NIGHT

Peter parks his car in front of the house and gets out. He walks up to the front door while muttering to himself.

PETER

What are you doing? This is so stupid.

Peter goes up to the door bell and presses it. He hears someone walk towards the door.

A woman opens the door, JESSALYN DALEY. Her long blonde hair is wet and she wears a matching set of form fitting silk pajamas.

JESSALYN

Hello? Mr. Albright? What are you doing here?

Her face shifts from smiling to shock, as if she was expecting someone else.

PETER

Hi, Mrs. Daley, I was wondering if I could talk to you about your son. But I understand if now's not a good time.

JESSALYN

Oh ok... No please, come in.

INT. LIVING ROOM - NIGHT

Jessalyn walks Peter into the ornately furnished living room.

JESSALYN

Have a seat.

She directs Peter to sit down on the loveseat opposite her chair. Between them is a coffee table with some books and a golden cow adornment.

PETER

Is Mr. Daley home?

JESSALYN

No he's out of town, on business.

Peter shifts in his seat uncomfortably.

PETER

Well I could come back later if
you'd rather.

JESSALYN

No, nonsense, what seems to be the
issue?

PETER

Well Mrs. Daley, if you don't mind
me asking, how's Kyle been behaving
recently?

JESSALYN

He's been good.

INT. HIGH SCHOOL HALL - DAY

Kyle walks down the hall with his two friends, KURTIS and
KRUNTZ.

KYLE

I'm down here, I'll catch y'all
later.

Kyle separates from the other two, walking down the hall,
until he stops in front of a bulletin board.

He looks up and sees a 'Have you seen me?' Baby Jesus flier
held up on the bulletin board by a red pushpin.

Kyle looks at the flier and smirks.

Beat.

He walks away as the flier falls to the ground.

INT. CLASSROOM - DAY

Kyle sits slouched over his desk. He fiddles with a red push
pin while he watches a group of students from across the
class.

The group of teenagers consists of three GUYS in letterman
jackets, and two pretty GIRLS. The tallest guy in the group,
and the one leading the conversation, is JOE. He has his arm
around a flawless girl with brunette hair, MARY.

Mary looks over at Kyle and smiles.

Kyle's eye's dart down.

JOE

Anyway, his brother's bringing a keg and some Fairfield girls are gonna be there so y'all should definitely pull up.

The bell rings and MR. RIVERA walks in.

MR. RIVERA

Alright everyone, assigned seats, I'm about to call roll.

STUDENTS all disperse as Mr. Rivera walks to his desk. Joe leaves Mary and walks across the class and sits in front of Kyle.

Kyle watches Mary then leans forward and whispers to Joe.

KYLE

You having a party tonight Joe?

Joe smiles and turns in his chair to face Kyle.

JOE

Depends, you still dealing purps?

Kyle nervously laughs.

KYLE

Not at the moment. My supplier, well, he kinda dipped. But I've got a friend who can get y'all some pot!

JOE

The people don't want pot. They want purps.

KYLE

Come on man.

JOE

Forget it. I don't want you and your friends showing up and throwing off the vibe! It's not that kinda party.

KYLE

Dude, we won't. Just give me a chance!

JOE
Drop it Kyle.

Joe turns forward as Kyle leans back in his chair, his face turns red with embarrassment.

INT. CLASSROOM - LATER

Mr. Rivera lectures about the civil war as the class sits in silent boredom. Joe slouches back in his seat, causing his wallet to fall out of his back pocket without him noticing.

The wallet falls open on the floor. No money falls out, but half a purple condom wrapper peeks out of the top.

Kyle plays with the red pushpin on his desk when he notices the wallet on the floor.

He picks up the wallet and looks at the condom, then back to his red pushpin.

Beat.

Kyle taps Joe on the shoulder.

KYLE
(whispering)
Hey, I think you dropped this.

Joe turns in his seat to see Kyle smiling and handing the perfectly folded wallet back to Joe.

INT. LIVING ROOM - NIGHT

Jessalyn sits across from Peter with a pained smile on her face.

JESSALYN
Yep, real good! Why? Did he do something not good?

PETER
It's just that yesterday the church's Baby Jesus was stolen, and I have reason to believe Kyle may have done it.

JESSALYN
What reason do you have?

PETER

Well, I got security camera footage of your son buying a lobster. Oh, and the lobster was left in the manger.

Jessalyn laughs and starts twirling her hair.

JESSALYN

You're really funny pastor.

Peter gets frustrated.

PETER

I'm not joking, that's what happened!

JESSALYN

Well I don't think Kyle would do such a thing, especially not against the church. As for the lobster, he was probably just buying it for me, I love lobster!

Peter stares at her dumbfounded.

JESSALYN (CONT'D)

Peter, I don't believe I've really gotten to know you yet. Can I get you something to drink, maybe a glass of red wine...

Peter continues to stare.

JESSALYN (CONT'D)

... or a glass of... sweet tea?

PETER

I'll take some tea.

JESSALYN

Perfect! I'll go pour you some!

Jessalyn gets up and walks down the hall to the kitchen, her voluptuous butt sways as she does so.

Peter watches her then quickly looks away.

When he turns, he sees a bedroom door with a men's bathroom sign on it.

INT. BEDROOM - NIGHT

Peter silently opens the bedroom door and tip toes into the room, trying not to step on any of the dirty laundry that litters the floor. On the walls are posters of Outkast, Soulja Boy, and an American flag hung upside down.

Peter goes and opens the closet door as a plastic skeleton falls out. It startles Peter, but he goes back to the closet and begins to rummage. He pulls out a Cheese balls tub full of money.

PETER
(to himself)
I sure hope he's tithing.

Peter puts the tub back and notices the sweatshirt Kyle wore in the security camera footage. Peter feels inside the pockets and then pulls out a Kroger receipt and a baggie with two purps.

He holds the baggie of purple pills up to the light and watches them glisten until he hears Mrs. Daley's footsteps down the hall.

Peter frantically shoves the items in his pocket and rushes out of the room.

INT. LIVING ROOM - NIGHT

Peter silently closes the door and bolts to the loveseat, sitting down in the exact spot as before.

Jessalyn comes into the room with a glass of sweet tea, an empty wine glass, and a branded bottle of wine with the title, 'Naboth.'

JESSALYN
Here you are.

Jessalyn places the sweet tea on the table in front of Peter, pours herself a glass of wine, and sits down on the loveseat next to him.

JESSALYN (CONT'D)
So, what brought you to Pleasant Grove?

Peter takes a sip of his sweet tea.

PETER
The job.

JESSALYN

That's right, you're doing such a good job by the way.

PETER

Thank you.

JESSALYN

I just love seeing your handsome butt on that stage every Sunday. Major improvement from the last guy in my opinion.

Jessalyn giggles and places her hand on Peter's thigh.

Peter awkwardly scoots away.

PETER

Well thank you, it's been some big shoes to fill.

JESSALYN

What's he up to nowadays?

PETER

I'm not sure.

Peter takes a long sip of his tea.

EXT. POOL - DAY

At a fancy pool, two women in bikinis serve grapes and rub sunscreen on BROTHER BOBBY, an overweight man in his mid sixties.

In the background a band plays Jingle Bells on steel drums.

INT. LIVING ROOM - NIGHT - CONTINUOUS

Peter gulps his tea, leaving the glass a quarter full.

PETER

But getting back on track here Mrs. Daley, I still have some questions about Kyle.

JESSALYN

You have nothing to worry about Peter, and call me Jess. Besides, I have some questions for you.

Jessalyn points her finger and touches Peter's tie.

PETER

For me?

Jessalyn slides down the couch closer to Peter as he quickly drinks the remainder of his tea.

JESSALYN

Yes for you. It's about adultery.

Peter chokes and spits the tea back into the glass.

PETER

Adultery?

She puts her hand on his shoulder as he slouches back into the loveseat.

JESSALYN

Tell me Peter. Is it adultery if the two don't even have sex?

PETER

What? Yes!

JESSALYN

Why? What if they don't even kiss?

PETER

Yes! Yes! The New Testament states that even if a man looks at a woman with lust he's already committed adultery with her in his heart.

JESSALYN

Ok, so what if he's not looking?

Jessalyn moves her hand up to Peter's chin, and turns him away from her.

PETER

Mrs. Daley I-

JESSALYN

And say he's not kissing her, but she's kissing him?

She leans in and begins to kiss Peter's neck. He looks uncomfortable, and in shock, but does not get up.

She moves her lips up to his ear and whispers.

JESSALYN (CONT'D)

If he does nothing, is the sin then hers to bear?

As she says this she unbuttons Peter's shirt collar, and slowly pulls off his red tie.

She continues to kiss his neck as her hand glides down to Peter's pants.

JESSALYN (CONT'D)
Tell me preacher, what then?

She grabs his crotch and squeezes.

PETER
ENOUGH!

Peter jumps up off the loveseat and turns to look back at Jessalyn.

She stares back at Peter, her head down and eyes up, looking back at him with a sinister smile.

THE GARAGE DOOR OPENS.

Peter's eyes dart to the door and then back to Mrs. Daley.

She stares back at Peter, unshaken. She takes his red tie, and without breaking eye-contact, opens her legs and slides the red tie down into the front of her underwear.

Peter turns and flees out of the front door.

INT. CAR - NIGHT

Without looking back, Peter jumps in the car and speeds off with a shocked look on his face.

INT. PRECINCT - NIGHT

Todd Hardy walks into the disheveled office of past Detective Iverson. He readjusts the easel and picks the evidence board off of the floor, and places it back atop the easel.

Todd looks at the section of the board marked, "CASUALTIES." He opens the manila folder and takes out 4 small pictures of Garrett, EJ, Abby, and Korbin and pins them on the board.

Twenty-seven photos of individuals descend the side of the board in groups of six. Todd looks a few rows above the four teens and sees a picture of a teenage boy with brown hair and freckles.

Todd pulls out his wallet and takes out his picture of the smiling young boy. He pins the photo on the evidence board over the picture of the teenage boy.

Todd's eyes begin to water as he turns from the board and walks over to a desk. He sits down and begins reading through the manila folder.

EXT. PRECINCT - NIGHT (LATER)

Todd walks out of the precinct and gets into the last cop car in the parking lot and drives away.

INT. CAR - NIGHT

Todd drives the car to the exit of the lot. A car speeds by. Todd looks over at his radar.

TODD
Wow, 58 buddy?

Todd turns and follows the car. He reaches up and flips on his sirens.

EXT. SIDE OF ROAD - NIGHT

The car pulls over with the cop car behind it. Todd gets out and walks up to the driver's window.

Todd shines a flashlight on the glass as the window lowers, revealing Peter Albright, sitting in the driver's seat, looking nervous.

TODD
Sir, do you know how fast you were going?

PETER
I'm sorry officer, I wasn't-

TODD
Wait are you the preacher?

Peter squints towards the flashlight until he notices the officer is Todd.

PETER
Oh, hey officer.

TODD
Hey man, I'm sorry about earlier.
I'm afraid I might've come across a
bit harsh.

Peter nervously laughs.

PETER
No worries sir.

TODD
So, what are you doing driving so
fast this late at night?

PETER
I had no idea. I was just kinda
zoned out driving back from...
uh...

TODD
Your girlfriend's house?

PETER
What?

Todd points his flashlight at Peter's neck revealing a giant
hickey.

TODD
Who's the lucky lady?

Peter lets out a loud nervous laugh and quickly hides the
hickey with his hand.

PETER
Oh... that's nothing... there's no
lady.

TODD
Lucky fella?

Peter turns red.

PETER
What? No!

Todd laughs.

TODD
You seem a little on edge father.
Am I gonna need to search your car
for drugs?

Peter looks worried for a second then laughs.

PETER

Pffft... no... no drugs on me sir.

TODD

Alright look, it's getting late,
I'm going to let you off with a
warning this time. Just take it
slow getting home.

PETER

Yes sir! Thank you officer!

Todd's demeanor turns to serious as he lowers his flashlight
and leans into the window.

TODD

And be safe out there pastor, or
next time I might have to arrest
you.

Peter looks at him worried.

Todd's serious face turns to a smile. He playfully punches
Peter's shoulder.

TODD (CONT'D)

Just messing with you. Have a good
night!

PETER

You too.

Todd walks back to the cop car as Peter rolls up his window
and drives off.

INT. BATHROOM - NIGHT

(O.S.) We hear a shower turn off and a curtain pulled back.

A Beat.

Peter walks up to a foggy mirror and wipes a circle
displaying his reflection.

He examines his neck and looks at the hickey.

As he stares, Peter's face goes from concern, to a tiny
smirk.
